Compliance Filing pursuant to Decision No. 68826

Dear Ms. Hood:

This letter is to inform you that Northern Sunrise Water Company ("Northern Sunrise") and Southern Sunrise Water Company ("Southern Sunrise") are no longer Arizona utilities as their assets were transferred to Bella Vista Water Company in accordance with Decision No. 72251 (April 7, 2011). As such, as of April 7, 2011, any future compliance filing requirements for Northern Sunrise and Southern Sunrise became void.

Decision No. 68826 (June 29, 2006) required that Northern Sunrise and Southern Sunrise annually file with the Commission hook-up fee status reports until the hook-up fee tariffs are no longer in effect. Because Northern Sunrise and Southern Sunrise are not authorized to collect hook-up fees (see Decision No. 72251 at 54:12-13), and for the reasons stated above, in lieu of a compliance filing we are submitting this letter to record that no filing will be made by Northern Sunrise and Southern Sunrise.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

Whitney Birk
